

An Invitation to Experience Yardley Country Club

Opened for play in 1928 – Yardley Country Club has been a fixture of Philadelphia golf for decades. A renowned classical design that meanders through tall mature hardwoods to well bunkered smallish greens while preserving the natural landscape and placing an emphasis on accuracy, not length.

The course (6,422 Blue/6,177 White), an Alexander and Fred Findlay design, is much the same today as it was when golf legends and major champions Johnny Farrell, Gene Sarazen, and Sam Snead walked our links. Continuously praised from both the occasional as well as the accomplished golfer, Yardley is a course for all ages and levels of ability offering impeccably conditioned fairways and some of the smoothest putting surfaces in the region

Each unique hole is harmoniously woven into the spectacular surroundings of the property, a perfect illustration of golf and nature at their best.

Golf Outings at Yardley CC
