

YARDLEY COUNTRY CLUB

ANNOUNCEMENT – YCC CLUB CLOSURE

March 20, 2020

Dear Members, Employees and Friends of Yardley,

In accordance with Gov. Wolf's Executive Order, the entire facility at Yardley Country Club is closed, including the golf course. Therefore, there can be no walking golfers at YCC for the indefinite future. Updates will be provided as soon as available.

The Pennsylvania State Police and local police will be enforcing this Order with fines and escalating penalties including possible imprisonment. The message is that non-compliance with this Order will result in severe penalties and there is an email and hotline for area citizens to report violations. We urge you to take this seriously and avoid the consequences.

Clearly, this is not the type of message that anyone likes to hear. We believed that open air exercise with proper distancing remained safe. That is no longer an option until this Order is lifted or revised.

Stay safe and healthy. We hope to see you all soon.
